GRANDY FOR SCHOOLS

Curriculum overview

Practical money education for primary, secondary and sixth form. This guide describes the curriculum; we'll confirm available modules and the right starting point for your cohort.

Grandy Roots · Primary

R1 **What Is Money and Why Does It Matter**
What money does and the difference between needs and wants.

R2 **Earning and Spending**
Where money comes from, and how price and value differ.

R3 **Saving and Goals**
Why people save and how to set a first savings goal.

Foundation bridge · Year 7

F1 **Money Basics**
What money is, how it moves and where it comes from.

F2 **Earning and Spending**
First jobs, ways to earn and decisions about what to spend.

F3 **Saving and Goals**
How saving changes as you get older and how to set a goal.

Core · Main curriculum

M1 **What Is Money?**
What money is and how it moves.

M2 **The Psychology of Money**
How feelings and habits shape money choices.

M3 **Getting Paid**
Ways to earn, first jobs, tax and rights at work.

M4 **Banking Basics**
Accounts, payments and keeping money safe.

M5 **Spending Smart**
Comparing costs, spotting value and spending with a plan.

M6 **Saving and Goals**
Setting goals and building a habit of saving.

GRANDY FOR SCHOOLS
